

Dear Parents,

- 1). This sheet replaces the previous week 4 parent sheet.
- 2). Hopefully, as your child readjusts from the hurricane, working together with your child will become more of a comfortable routine than it was the first week.
- 3). If you haven't already, begin to create the expectation that the initiative should come from them to complete their Latin home assignments and to get your attention in order to check their progress and verify their accomplishments.
