Due January 24-25, 2018: In the *Finding Truth* study guide (p. 331-373), there are numerous questions that instruct you to construct a dialogue. Your task is to construct a dialogue (at least two pages) and be prepared to read it in class. You may have one partner in this project. There are some examples of this at <https://carm.org/apologetics-dialogues>. You must create your own dialogue answering one of the study questions that has the word "dialog."
